BILBO AND THE EXTRA SESSION.

Gov. Bilbo has done the wise and sensible thing in appealing to the members of the legislature-elect, to vote for the payment of a two-hundred thousand dollar loan to maintain the state institutions when they are sworn in next January, rather than calling the legislature in extra session now to make the appropriation at a cost to the taxpayers of from twenty to forty thousand dollars. It may not be an exact accordance with law, but if this was the only instance when the law had been violated in dealing with the state's finances, there might be cause for complaint.

The colleges and asylums and institutions urgently need money to run them until the legislature meets and this is the best and most economical plan to provide it.

GAS IS STRUCK.

Half Million Cubic Feet is Expected Daily Output.

FLORENCE, Ala., Sept. 13.—The Florence-Sheffield Oil and Gas Company, which has had its drills at work near Iron City, Tenn., about 20 miles North of this city, reports that gas was struck on the twenty-fifth day after the work began at a depth of 340 feet. It is estimated that the supply will be approximately 500,000 feet per day. It is stated that the output of this well has already been contracted for a period of five years to manufacturing and iron interests at Iron City.

The same company is preparing to drill in the eastern section of this city and the promoters of the enterprise are encouraged inasmuch as gas has just been struck in a nearby territory. It is the belief of the members of the company that in this section lies the largest unbroken gas field in the country.

WHY THAT LAME BACK?

sharp pains when bending or lifting make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Columbus resident's example.

Mrs. J. W. Egger, 1212 Bell Ave., says: "Some years ago I had quite a severe time with my kidneys. The worst source of complaint was from my back. It ached all the time and was so lame and weak, I could hardly straighten after bending. My kidneys didn't act right and annoyed me in many ways. When I heard of Doan's Kidney Pills, I got a box. Doan's helped me so that I continued their use and soon I was entirely cured."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Egger had. Foster-McBurn Co., Mfrs., Buffalo, N. Y.

Hot Weather---Ice Tea.

True economy consists in obtaining what you want at a fair price; there is no economy in buying cheap, common stuff, particularly does this apply to tea. Golden Gate Teas—all flavors—are high grade; full flavor, choicest quality, packed in flavor-tight, moisture-tight cartons, six varieties, Ceylon, Japan, Oolong, Gunpowder, English Breakfast, Black and Green. All make delicious drinks, whether hot or iced.

One pound of Japan tea will make 300 cups; one pound of Ceylon Tea will make 400 cups; both are good; neither cost to exceed 1-4 of a cent per cup. If you have not done so, try Ceylon as an iced beverage. You will be delighted; it is flavorful, rich, pure, clean, economical and healthy; also try it as a hot drink; its excellence will surprise you.

We have the sole agency for Columbus of Golden Gate Teas, Coffees, Spices and Flavoring Extracts. J. H. STEVENS & SON Phone 93. The Main St. Grocers.

REDUCE THE HIGH COST OF LIVING IN THE HOME.

The housewife can greatly reduce household expenses by having her individual bank account. Actual cash kept on hand has a tendency to "melt away."

A little surplus money in the bank furnishes opportunity for taking advantage of cash discounts, bargain sales, larger purchases, etc., and in many other ways can be made to earn large dividends.

Your account, whether large or small, will receive our most careful consideration.
